

New Look at WNTC

by HELEN CHURCH

WNTC, the radio station of the Potsdam and Clarkson campuses has a new look! During Christmas vacation the station moved its broadcasting facilities from the garage behind Elm Street dorms where they had been located for the ten years that the station has been in existence to the new location which is on the third floor of Snell Hall overlooking Elm Street. This new location will promote more opportunity for the improvement of service by the station. To go along with the station's new plan of better service to the listener, several improvements have been made in the station's equipment. Two new Pickering tone arms with diamonds have been installed to improve the quality of the sound to be broadcasted. Other new fixtures that have been added are a new record library and a new console desk. The new library features shelves to hold all the records, both 78 and 45's, and complete filing system; it is separated from the rest of the studio. The new console table is built on a wraparound style to make it easier to change records and run the control board. It facilitates the smooth flow of music and talk which makes a show a success. Persons who are interested in dropping up and looking the set-up over are welcome to do so if they will first set a time with a staff member to show them around.

This term there will be some really great shows aired over WNTC. Two shows that everyone will want to hear are, "Saturday Night Record Party" is on from 6:30 until 11:00 every Saturday night with music that will suit every taste. "Rock with Rip" is strictly for those who want to hear really good rock and roll, and is on from 10:00-11:00 every Friday night.

So don't forget, for the best in entertainment it's WNTC.

WNTC Elects

WNTC, the campus radio station, elected members to the executive and operations' boards for the coming year.

Serving on the executive board are president, Charles Fish; secretary, Helena Spaulding; chief engineer, George Haus; business manager, Mark Warshauer and station manager, John Watson III.

The members of the operations board are Dave Rapp, director of programming; Norm Levine, director of control room operations; Dick Rapacki, director of announcing; and Ron Bailey, director of personnel relations. Also elected to the operations board were Mary Barnes, director of the record library, and Jim Brade, director of sports.

Retiring board members were elected to the advisory board. Among these are Joe Hesler, Fred Adsit, Dick Abrahamson, Arnie Toranto, Jim Mourt, Sandy Fialkoff, Dolly Manley and Helen Church.
